Advisory 2020

Review of Age categories for National Ranking Events

As National/Regional tournaments will be starting soon, kindly ensure that the updated PTF Tournaments Advisory is followed strictly, especially the age eligibility criteria. It has been observed that although upper age limits are observed, lower age eligibility guidelines are sometimes overlooked. Please find below the age eligibility guidelines for 2020, as well as the PTF Tournaments Advisory which has already been circulated to you. These will remain in force until further notice.

Should any Association / Affiliate have any queries or concerns in respect of the rules, these must be conveyed to the PTF Secretariat via email, latest by 12th January, 2020, before the start of the upcoming events. No comments would be taken as an acknowledgement of agreement and acceptance. These Rules shall supersede all previous advisories on the subject, & come into effect from 14th January, 2020 and stay in force until further notification.

- A player will **only** be allowed to enter an event in his/her age group and in the age group immediately above, **if they meet the minimum age requirements as shown above** (e.g. 10&U and 12&U, but not 10&U and 14&U etc.)

- 10&U and 12&U events will have mixed draws (meaning both boys and girls can participate in the same event) to increase participation. However, if there are sufficient entries in both boys and girls, separate events may be held.
- Juniors events to have all age categories; 10&U singles (Red, Orange, Green stages, on a round robin basis to motivate children and enhance participation – the PTF will supply the coloured balls for the events), 12&U, 14&U, 16&U, 18&U (singles and doubles).

- ITF and PTF (if additional) Codes of Conduct will be strictly enforced, and players will be penalized for any disciplinary infractions.

- **International Events:**

In respect of age categories, all ITF / ATF / IOC events shall be strictly in line with rules and regulations provided by the ITF/ATF/IOC, from time to time.
